### DETAILED ACTION

1. Claims 48-58, 60-63, and 65-76 are allowed.
2. The following is an examiner's statement of reasons for allowance: Each of the independent claims include the limitation of the sail portion that is fabricated substantially of a material that is different from that used to fabricate the first and second cushion portions. It is noted that the Applicant has attempted to define the phrase "substantially different materials". First of all, this phrase appears nowhere in the specification as originally filed. Different materials has been given its ordinary and usual meaning.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ruth Ilan whose telephone number is 703-306-5956. The examiner can normally be reached on Monday-Friday, 8:30-5:00.
